 Trauma and Critical Care (TCC) • Traumatologie et soins critique (TSC)

### Subjects • Sujets

#### - A -

#### AAOS See American Academy of Orthopaedic Surgeons

#### Abdomen, acute

Mortality associated with emergency abdominal surgery in the elderly (Arenal and Bengoechea-Beeby) (OA) 111

#### Abdominal abscess

Diverticular abscess: unusual clinical and radiographic presentation (Hague and others) (BC) 142

#### Abdominal pain

Radiology for the surgeon: Soft-tissue case 53. Presentation; Diagnosis (Herbella and Del Grande) (CME) 465

Soft-tissue images. Segmental colonic ischemia mimicking appendicitis (McClenathan and Dabadghav) (SI) 299

Spontaneous rectus sheath hematoma (Siu and others) (CN) 390

#### Aboriginal peoples

Steal syndrome complicating upper extremity hemoaccess procedures: incidence and risk factors (Davidson and others) (OA) 408

#### Abscess

Avoiding stitch abscesses in subcuticular skin closures: the L-stitch (Mahabir and others) (ST) 223

#### Accidental falls

Increasing volume of patients at level I trauma centres: Is there a need for triage modification in elderly patients with injury of low severity? (Lieberman and others) (OA) 446

#### Accidents, traffic

Analysis of a school bus collision: mechanism of injury in the unrestrained child (Lapner and others) (OA) 269

Endovascular stent-graft for blunt thoracic aortic rupture: a novel and useful approach in selected cases (Dagenais and others) (BC) 386

Increasing volume of patients at level I trauma centres: Is there a need for triage modification in elderly patients with injury of low severity? (Lieberman and others) (OA) 446

Late neurologic deterioration after nonoperative treatment of a Chance fracture in an adolescent (Campbell and Yen) (BC) 383

#### Acetabulum

Surgical images: musculoskeletal. Acetabular cartilage delamination on magnetic resonance arthrography: inverted "Oreo" cookie sign (Beaulé and Zaragoza) (CME) 463

#### ACS See American College of Surgeons

#### Adenocarcinoma

Canadian Association of General Surgeons Evidence Based Reviews in Surgery. 6. "GERD" as a risk factor for esophageal cancer (Henteleff and Darling) (EBS) 208

#### Adolescent

Analysis of a school bus collision: mechanism of injury in the unrestrained child (Lapner and others) (OA) 269

Discoid meniscus in children: treatment and outcome (Davidson and others) (OA) 350

Late neurologic deterioration after nonoperative treatment of a Chance fracture in an adolescent (Campbell and Yen) (BC) 383

Orthopedic injuries associated with backyard trampoline use in children (Black and Amadeo) (OA) 199

Routine pathological evaluation of tissue from inguinal hernias in children is unnecessary (Miller and others) (OA) 117

Total hip arthroplasty in patients younger than 21 years: a minimum 10-year follow-up (Besette and others) (OA) 257

Triple major curves in children (Davidson and others) (OA) 193

#### Adrenal cortex

Giant adrenal pseudocyst mimicking a malignant lesion (Mohan and others) (CN) 474

#### Adrenal cortex neoplasms

Giant adrenal pseudocyst mimicking a malignant lesion (Mohan and others) (CN) 474

#### Adrenalectomy

Laparoscopic adrenalectomy: pathologic features determine outcome (Poulin and others) (OA) 340

#### Adrenergic beta-antagonists

Prophylactic  $\beta$ -blockade to prevent myocardial infarction perioperatively in high-risk patients who undergo general surgical procedures (Taylor and Pagliarello) (MMP) 216

#### Adult

Complete Currarino syndrome in an adult, presenting as a fecalith obstruction: report of a case (Colapinto and others) (BC) 303

Musculoskeletal images. Femoral fracture in adult osteogenesis imperfecta (Theodoropoulos and others) (SI) 297

Total hip arthroplasty in patients younger than 21 years: a minimum 10-year follow-up (Besette and others) (OA) 257

#### Africa

*East and Central African Journal of Surgery*: another Canadian connection (Beveridge) (C) 59

#### Age factors

Discoid meniscus in children: treatment and outcome (Davidson and others) (OA) 350

Epidemiologic features of acute appendicitis in Ontario, Canada (Al-Omran and others) (OA) 263

Mortality associated with emergency abdominal surgery in the elderly (Arenal and Bengoechea-Beeby) (OA) 111

Provider volume and other predictors of outcome after total knee arthroplasty: a population study in Ontario (Kreder and others) (OA) 15

Steal syndrome complicating upper extremity hemoaccess procedures: incidence and risk factors (Davidson and others) (OA) 408

#### Aged

Elective lumbar spinal decompression in the elderly: Is it a high-risk operation? (Reindl and others) (OA) 43

Geriatric trauma: resource use and patient outcomes (McKevitt and others) (TCC) 211

Increasing volume of patients at level I trauma centres: Is there a need for triage modification in elderly patients with injury of low severity? (Lieberman and others) (OA) 446

Mortality associated with emergency abdominal surgery in the elderly (Arenal and Bengoechea-Beeby) (OA) 111

The upcoming epidemic of fragility fractures in Canada (O'Brien) (QS) 407

#### Aged, 80 and over

Geriatric trauma: resource use and patient outcomes (McKevitt and others) (TCC) 211

Mortality associated with emergency abdominal surgery in the elderly (Arenal and Bengoechea-Beeby) (OA) 111

The upcoming epidemic of fragility fractures in Canada (O'Brien) (QS) 407

#### American Academy of Orthopaedic Surgeons

La chirurgie à l'endroit : le bon site, du bon côté (Meakins) (É) 87

Site and side of surgery: getting it right (Meakins) (E) 85

#### American College of Surgeons

La chirurgie à l'endroit : le bon site, du bon côté (Meakins) (É) 87

Site and side of surgery: getting it right (Meakins) (E) 85

## Amputation

- Long-term anticoagulation after acute thromboembolic limb ischemia (Suissa) (C) 147
- [reply] (Forbes) (C) 147

## Anastomosis, surgical

- Revisiting the biofragmentable anastomotic ring: Is it safe in colonic surgery? (Ghitulescu and others) (OA) 92

## Angioma See Hemangioma

## Antibiotics

- Musculoskeletal images. Chronic osteomyelitis (Lobo and McKee) (SI) 47
- Prophylaxis in elective colorectal surgery: the cost of ignoring the evidence (Wasey and others) (OA) 279
- Why do surgeons not comply with "best practice"? (Bohnen) (QS) 251

## Anticoagulants

- Long-term anticoagulation after acute thromboembolic limb ischemia (Suissa) (C) 147
- [reply] (Forbes) (C) 147
- SESAP Question; Critique: Category 10, Item 23 169; 215

## Anus neoplasms

- Anorectal malignant melanoma: treatment with surgery or radiation therapy, or both (Moozar and others) (OA) 345

## Aorta, thoracic

- Endovascular stent-graft for blunt thoracic aortic rupture: a novel and useful approach in selected cases (Dagenais and others) (BC) 386
- Surgical Education and Self-Assessment Program (SESAP): Category 11, Item 9 (CME) 364

## Aortic rupture

- Endovascular stent-graft for blunt thoracic aortic rupture: a novel and useful approach in selected cases (Dagenais and others) (BC) 386

## Aortography

- Surgical Education and Self-Assessment Program (SESAP): Category 11, Item 9 (CME) 364

## Appendicitis

- Epidemiologic features of acute appendicitis in Ontario, Canada (Al-Omran and others) (OA) 263
- Soft-tissue images. Segmental colonic ischemia mimicking appendicitis (McClenathan and Dabaghav) (SI) 299

## Arthrodesis

- A biomechanical study in cadavers of cast boots used in the early postoperative period after first metatarsophalangeal joint arthrodesis (Young and others) (OA) 183

## Arthrography

- Discoid meniscus in children: treatment and outcome (Davidson and others) (OA) 350
- Radiology for the surgeon: musculoskeletal case 30. Presentation; Diagnosis (Browne and others) (CME) 361
- Surgical images: musculoskeletal. Acetabular cartilage delamination on magnetic resonance arthrography: inverted "Oreo" cookie sign (Beaulé and Zaragoza) (CME) 463

## Arthroplasty, neurogenic

- Musculoskeletal case 29. Presentation; Diagnosis (Browne and others) (RS) 300; 309

## Arthroplasty, replacement

- Musculoskeletal images. Silicone synovitis (Waddell and Daniels) (SI) 120
- Trapezial arthroplasty with silicone rubber implantation for advanced osteoarthritis of the trapeziometacarpal joint of the thumb (MacDermid and others) (OA) 103

## Arthroplasty, replacement, hip

- Developing priority criteria for hip and knee replacement: results from the Western Canada Waiting List Project (Arnett and others) (OA) 290
- Elective lumbar spinal decompression in the elderly: Is it a high-risk operation? (Reindl and others) (OA) 43
- Total hip arthroplasty in patients younger than 21 years: a minimum 10-year follow-up (Besette and others) (OA) 257

## Arthroplasty, replacement, knee

- Developing priority criteria for hip and knee replacement: results from the Western Canada Waiting List Project (Arnett and others) (OA) 290
- Effect of adjunctive range-of-motion therapy after primary total knee arthroplasty on the use of health services after hospital discharge (Davies and others) (OA) 30
- Provider volume and other predictors of outcome after total knee arthroplasty: a population study in Ontario (Kreder and others) (OA) 15

- Providers, outcomes and their determinants (Gross) (QS) 8

## Arthroscopy

- Discoid meniscus in children: treatment and outcome (Davidson and others) (OA) 350

## Aspirin

- Thromboprophylaxis in surgical patients (O'Donnell and Weitz) (SBC) 129

## Association of Surgeons of East Africa

- East and Central African Journal of Surgery*: another Canadian connection (Beveridge) (C) 59

## Athletic injuries

- Orthopedic injuries associated with backyard trampoline use in children (Black and Amadeo) (OA) 199

## Atrial fibrillation

- Causes of increased length of hospitalization on a general thoracic surgery service: a prospective observational study (Irshad and others) (OA) 2002:264 [correction 466]

## Avascular necrosis of bone See Osteonecrosis

– B –

## Bacterial infections

- Necrotizing fasciitis secondary to chickenpox infection in children (Clark and others) (OA) 9

## Beta-adrenergic blocking agents See Adrenergic beta-antagonists

## Bethune, Norman

- International surgery: definition, principles and Canadian practice (Lett) (RA) 365

## Bile duct obstruction See Cholestasis

## Biomechanics

- A biomechanical study in cadavers of cast boots used in the early postoperative period after first metatarsophalangeal joint arthrodesis (Young and others) (OA) 183

## Blunt trauma See Wounds, nonpenetrating

## Bone cysts, aneurysmal

- Giant cell reparative granuloma of the hand: case report and review of giant cell lesions of hands and feet (Macdonald and others) (BC) 471

## Bone neoplasms

- Musculoskeletal case 27. Presentation; Diagnosis (Browne and others) (RS) 122; 150

## Bone scanning See Radionuclide imaging

## Book reviews

- Aphorisms & Quotations for the Surgeon*. Edited by M. Schein (Lyttle) 306
- Raising the Dead: Organ Transplants, Ethics, and Society*. Ronald Munson (Barwinsky) 391
- Urologic Prostheses. The Complete Practical Guide to Devices, Their Implantation and Patient Follow-Up*. Edited by Culler C. Carson III (Bard) 149

## Brachial artery

- Steal syndrome complicating upper extremity hemoaccess procedures: incidence and risk factors (Davidson and others) (OA) 408

## Breast neoplasms

- Practice patterns of lymph-node mapping and sentinel-node biopsy for breast cancer in British Columbia (Chua and others) (OA) 273
- Reassessing the role of axillary lymph-node dissection in patients with early-stage breast cancer (Marschall and others) (OA) 285
- Role of axillary lymph-node dissection in the management of breast cancer (Wexler) (QS) 247

– C –

## Cadaver

- A biomechanical study in cadavers of cast boots used in the early postoperative period after first metatarsophalangeal joint arthrodesis (Young and others) (OA) 183

## Canadian Association of General Surgeons

- Abstracts—Canadian Association of General Surgeons, Canadian Surgery Forum 2003 (supplement to issue 4)

## Canadian Association of Thoracic Surgeons

- Abstracts—Canadian Association of Thoracic Surgeons, Canadian Surgery Forum 2003 (supplement to issue 4)

## Canadian Journal of Surgery

- East and Central African Journal of Surgery*: another Canadian connection (Beveridge) (C) 59
- Improving your journal (Waddell) (E) 245
- Inaugural message from the new coeditor (Warnock) (E) 166
- Message inaugural du nouveau corédacteur (Warnock) (E) 167
